

SCHOLARSHIP FUNDS FOR ICYI EVENTS

Illinois Conference Youth Initiative 2011 Spring Retreat (\$25.00)

Illinois Conference 2011 Annual Meeting (\$25.00)

Greetings to all:

ICYI (Illinois Conference Youth Initiative) currently has scholarship money available for youth who might need assistance for the three events as listed above. ICYI would love for youth to attend all of the above events and would love to be able to help everyone who might need assistance, however, since funds are limited, we ask the requesting church to prayerfully consider which one of above events will you most likely need assistance before submitting your request. We cannot guarantee that we can assist you with all of the events listed, however if you think you will have youth attend all of the event and will need assistance for all of the event please contact Rev. Jonathan Knight at 708-344-4470.

Scholarships are for youth only who are of junior high or senior high age.

We do not want to discourage any church from applying for scholarship assistance, but are asking the requesting church to be mindful of what ICYI can financially do and how many churches might be asking for assistance at the same time. We will let you know ASAP if you request has been granted. If it is a hardship case and your youth will need more then the above amount, please don't hesitate contacting me. ICYI will try to help you as best we can.

Criteria for scholarships follows:

1. A congregation may request up to \$25 per youth for a given event
2. If a congregation requests scholarship assistance it is suggested the church should also pay at least \$25 toward the registration fee for youth/adults attending
3. If a congregation requests scholarship assistance it is suggested that at some time the church give a donation to the ICYI Scholarship Fund

ICYI Scholarship Fund is based on donations made by local churches, grants from Strengthen the Church and monies collected at Illinois Conference Annual Meetings. Because it is not a guarantee that we will receive money from the latter two, it is important that churches donate money to the ICYI Scholarship Fund throughout the year.

Thank you for your interest in the ICYI Scholarship Fund.
